Okay. I will probably need to come back for more for Adjustacam, but we will apply only for 30 days for now.

Andrew:

I am following up on my voice mails of last night and this morning. Can you please let me know whether your clients will oppose applications for extension of time to answer or otherwise respond as follows:

In Demeter Technologies v. Fujitsu, et al, we would like to enter an application for a 45-day extension for HP

In Adjustacam v. Amazon.com, et al., we would like to enter an application for a 45-day extension for HP and Microcenter Electronics, Inc.

I look forward to your response.

Steve
